

CCC Newsletter

December 2011 Volume 44

Important Dates: CCC Closed 12/26 & 12/31 Merry Christmas!

December 7- 7PM Family Christmas Program

**School Age families watch for early dismissal days & school district closings.*

New Thirty-one lunch tote Fundraiser:

This school year the Cocalico Care Center has decided to try something new! We are very excited to announce a special fundraiser for the different classrooms that is replacing our fall Wolfgang candy & wrapping paper sale. Starting the second week in December families will be able to collect orders for the very popular Thirty-one lunch totes and their new lunch satchel.

For every item that we sell, a minimum of \$5.50 will come back to the center as a profit for the event. It is our hope to sell a minimum of \$500.00 worth of lunch totes so that each classroom teacher can purchase toys and resources off of their “wish-list” for the students use at the beginning of 2012. PLEASE take advantage of seeing friends and family over the holiday season to help CCC collect as many orders as possible.

Orders are due back to the center on Jan. 4

Items will not be available in time for Holiday gifts, but they will be delivered in January (more details to follow) as a special way to surprise someone with a little something extra to start the new year out right.

Christmas Break and the “tuition free” week!

CCC is open for care the week between Christmas and New Years Day for families on an “as needed basis”. If your family is in need of childcare any day that week, please sign up on the appropriate list that can be found at the family mailbox table. Parents will be charged for care (regardless of attendance) if students are listed to attend CCC. Any family not using CCC that week will not be charged. Regular tuition will resume the day after new years.

Kindergarten :

Welcome to December ! The month of December is going to be a lot of fun in the Birch tree room. We will be doing many winter activities as well as Christmas activities. We will also be talking about the New Year and continuing to work on various skills.

Ms. Monica
